

Welcome to the White Heron and Nantucket Theatre Institute

practical Theatre Immersion Experience!

The **practical theatre immersion experience** is designed to offer students advanced level training and performance opportunities. Included in the immersive training and rehearsal schedules are valuable master classes, workshops, Q&A's, and shared lunches with White Heron's Equity actors.

Although there is no age requirement to apply, the program is best suited for those who have some prior theatrical experience and are hungry for a focused learning environment. Space will be limited to no more than 25 students per intensive, and participants will be selected through an application process that requires the submission of a taped audition, student essay, two letters of recommendation and interview with the White Heron and NTI [enrollment panel](#).

Acting Intensive

Summer 2017 will focus on the work of the world's greatest storyteller, William Shakespeare, and his play The Tempest. Tackling Shakespeare can seem intimidating, but with guidance and mentoring from White Heron's Equity cast and NTI's dedicated team of theatre educators, students will quickly discover the magic of the Bard and the thrill of bringing their own production, directed by Jimmy Calitri, to life.

Music, Theatre & Dance Intensive

Summer 2017 is piloting a new and exciting partnership with the Nantucket Music Center. Together NTI & NMC will help students take the world of musical theater and break it down into its three foundational parts (music, theatre and dance) mastering skills such as sight singing, accents, physical extension (stretching) and improv. All of these skills will help students confidently engage in the audition and rehearsal process.
